(above) The Journalism Class went to J-day at Ball State, where they picked up new ideas for the yearbook and OA Today.

This year's Journalism class put in numerous hours, both during the school day, and after school to bring the rest of OA both an A+ yearbook, and morning announcements, and we do much more than that! We are also in charge of calling WRBI every week to give updates on what is happening at school, we write the blogs, and we also choose the photos of the week. Although, it can sometimes get stressful its all part of the job.

They also played at the St. Anthony's Live Nativity. The orchestra played at the town-wide event "Holidays Under the Spires." They have visited grade schools and invited the younger students to join in and play with them. Kroger invited them to play at their

Grand Opening which was very fun. Orchestra also plays at pep rallies and basketball games. Some orchestra students participated in the ISSMA Instrumental Contest. The results were Mia Hillenbrand-gold, Sarah Wilder-gold, Kirsten Stenger-gold, Margaret Glaser-silver, Carly Wagers-silver, Morgan Burkart-gold, and Liam Mungcal-gold. Sarah Wilder also advanced to the state ISSMA contest and won a silver medal.

Academy Singers

The Academy Singers have been involved in many events this year. They introduced a new song to the Academy called Alma Mater, which is a new school favorite. The singers also went to the grade schools to sing for the elementary students. The Academy Singers had many great performances in the Christmas and Spring concerts. Some of the singers sang at the ISSMA State Competition: Decker Horninger, Carly Wagers, Mikaela Fangman, Liam Mungcal, and Marie Hogg. The singers have been involved in many events this year, making this a great and memorable year for the singers and the entire community!

Adopt-A-Sis

The Adopt-A-Sis program at Oldenburg Academy is a fantastic program for everyone at Oldenburg to be involved in. It is really neat hearing these stories from when our Adopt-A-Sis sisters were like when they were little and what trips and experiences they have been through. "I love eating lunch with my sister."
-senior Olivia Lewis

In the Adopt-A-Sis program the Adopt-A-Sis sisters plan parties and other activities for all the students in Adopt-A-Sis. These parties are very enjoyable and fun because it gives us students extra time to spend with our Adopt-A-Sis sisters. We celebrate holidays together.

National Business Honor Society

Oldenburg Academy is the first chapter in Indiana that has started a National Business Honor Society. In September, we inducted 19 members. This is the first year that Oldenburg Academy has had a National Business Honor Society.

The members of National Business Honor Society have taken over the planning and advertising of Holidays Under the Spires. Holidays Under the Spires is a big deal for the town of Oldenburg, and the NBHS members made it that much better! The event was very successful and everyone had a great time.

The Oldenburg Drama Club put on two fabulous theatrical shows for everyone this year. In the fall, the play *Anne of Green Gables* was performed. In the spring, *Mary Poppins the musical* was performed. Both were amazing shows and the Drama Club did an excellent job preparing for both.

Emily Ulrich and her brother Brian Ulrich starred together in *Anne of Green Gables*. They made the drama club very proud!

Left: Mikaela Fangman and Elizabeth Miller star in *Mary Poppins*. They both put in many hours in the drama department this year.

Left: Jeremy Kelnhofer and Caitlyn Bowling performed in *Anne of Green Gables*. Both seniors were in the fall play and the spring musical this year.

The Thespians are looked at to be the leaders of the drama department. It is a true honor to be a part of the Thespians club. Mrs. Whitehair is the moderator of the Thespians.

Tri-M

Throughout the year our musically talented students have a hefty work load. Trying to juggle school, sports, and keeping up with their musical talents. Members of this group are recognized for musical success, as well as academic achievement. As members of the Tri-M Music society, students are expected to maintain exceptional grades while also participating in musical requirements, such as concerts and competitions. The Oldenburg Academy students are required to uphold the mission statement of Tri-M's National Association for Music Education, which is to "advance music education by encouraging the study and making of music by all."

What Is an Ambassadors?

- The main objective of all Academy Ambassadors is to promote Oldenburg Academy.
- Throughout the year these individuals welcomed perspective students by showing them a day in the life of a student.

Once Upon A Prom

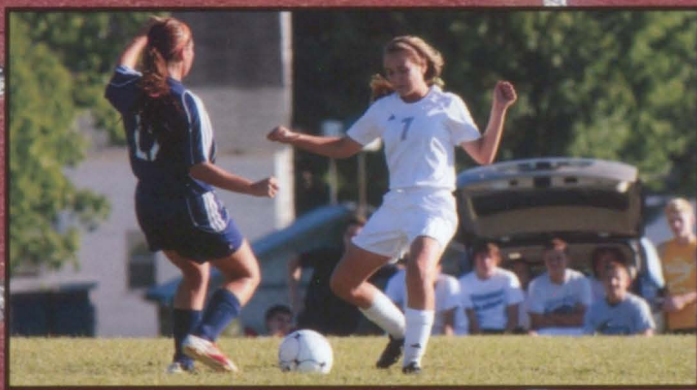

The prom committee came up with the Once Upon a Prom theme for Prom 2015. Everyone involved in prom committee enjoyed making things for prom and enjoyed laying things out to see what would look the best. The prom committee had meetings about every week to finalize the different things needed for prom. On the Friday before prom, a few of the members of prom committee had the opportunity to set up for prom at the Hampton Inn in Greensburg. The prom committee worked very hard to set up for prom which surely paid off when the conference room was transformed into a magical, enchanted scene.

athletics

This fall the OA Journalism class decided to put on the first ever fall spirit week in honor of the success of the fall sports. Throughout the week students had the opportunity to dress up to fit the theme of the day. The themes ranged from 'Merica Monday, Switch-a-Roo Tuesday, Nerd Wednesday and Twister Thursday. Then on Friday students received a treat followed by mass.

1. Mrs. Stephens and Mrs. Whitehair get involved by taking over the OA Today studio for a day.

2. Mrs. Whitehair or Elliot Jarman? The whole school was impressed with this rendition for Switch-a-Roo Tuesday.

5. A group of sophomores embrace their inner quirkiness for nerd day.

FALL SPIRIT WEEK

VOLLEYBALL

The Lady Twisters had an impressive season this year with a winning record and an impressive effort in sectionals. Along with that they won their first ever Twister Invitational. Senior Anna Dickman commented, "I'm happy with how this season went, and with all the memories I've made with this amazing team. I wouldn't have wanted my senior year play any other way."

"Small but Mighty"

Throughout the year the girls' soccer team worked hard to defeat their biggest rival, Lawrenceburg. Spending countless hours in the graveyard running and working hard defeating team after team.

During the year this "small but mighty", the girls headed to Batesville to participate in the Batesville Invitational. They started off the morning by playing Centerville High School where they beat them four to zero.

The girls then rested up to take on Batesville in the championship game. The first quarter ended in a tie, this gave OA fire to start the second half. As they worked the ball around the goal was near and scored. This pumped up both teams, but the final horn followed soon and this brought all smiles for the "small but mighty" team. As the girls held the trophy in hands, their minds were still on their big rival.

Soccer still continued in the graveyard as sectionals became closer. After waiting countless weeks the draw was near:

Oldenburg had been drawn to play Lawrenceburg the first round of sectionals. This news pumped the girls up to work harder. The day came and many fans traveled to Rising Sun to watch this rival match occur. The game was neck and neck until Lawrenceburg slipped by the Twisters and came out with the win. Although this was a sad way for the girls to end the season, they put up a good match and gave it their all.

"WE BELIEVE"

This year the boys' soccer team was just as successful as they have been in the past. They called themselves the "Graveyard Boys" and were even featured on a local news station. The boys started their season off, as they normally do in the summer time at Gillespie. Once moving to the graveyard they were very successful.

When sectional rolled around the boys truly left everything on the field. Game one they took on the Greensburg Pirates and came up with the W. Game two was against the Jac-Cen-Del Eagles where they not only went into overtime, but also a shoot out. Once they won that game the boys were very excited to claim their trophy.

The "Graveyard Boys" traveled to Knightstown where they defeated Indianapolis Lutheran as well as Centerville. This advancement was the second in school history.

The boys and their phenomenal fan base took their "We Believe" motto two hours away where they took on Providence. Playing them earlier in the season the boys came up short, but not this time. The boys defeated them, advancing them to the semi-state finals. The boys took on Tri-West coming up short. The boys their successful season with a 17-4-1 record.

Ashley Sedler had a great season. Many memories were made in this past season. The girls team went to Sectionals and Regionals together, and Ashley moved onto Semi-State alone with the boys team. At Semi-State Ashley said on the last hill leading up to the finish line, she kept saying "cemetery" and "attack" for motivation. She said it was a great race and she really enjoyed it. Because of her efforts at Semi-State, Ashley advanced to the state cross country meet in Terre Haute.

Ashley said being able to compete at the State cross country championships was an unforgettable experience that she will remember forever. She really enjoyed having all of her family and teammates there cheering her on. Ashley said, "there were tons of people there and tons of runners." She will remember all of this for years to come. She hopes to return to State in cross country next season.

Curt Eckstein had a great season. The OA boys cross country team had a very successful and history making season. The boys won Sectionals for the first time ever. The whole boys team was able to advance to the semi-state meet.

Curt enjoyed the trip to State. Curt got 9th in State with a PR of 15:32. Curt says "nothing worth having comes easy." The team won sectionals for the first time and moved onto the Regional meet. The boys then advanced to semi-state as a team for the first time. Curt enjoyed being on the news. His favorite meet was the Catholic State meet where he placed 3rd. At that meet, catholic schools from all over the state of Indiana came together to run. The atmosphere at Catholic State is incredible, and can be felt during both the run and mass, which follows the race. After the service, the runners enjoy some delicious food, which is certainly an incredible end to a busy day!

This year the OA drama department put on a fabulous show of Mary Poppins. Many people came out to see what the drama department had prepared for everyone this year. Thankfully our drama department and cast were so prepared for this show that they were able to continue the show even when an unexpected event approached. The cast really stepped up their game and put on just as stellar of a show as the night before. Everyone was impressed by this performance and loved watching it. lunch together, and watch a video composed of our memories at OA.

6. Senior Class Vice President gave a speech using objects to represent the class. A Map; for all the places the seniors come from but still come together. A blue ribbon; for all the senior's accomplishments. A cross; to represent the Junior retreat that brought the class together as a family. A nose with glasses; to represent that the class of 2015 is a fun class, but can still get serious when needed.

The Freshman Retreat

"Can't wait to make so many great memories."
-Lexi Brown

On September 5th, the freshman had their first retreat which took place on the second floor of the ICA Hall. The students started out their prayerful day with numerous ice breakers. This always gets the students excited and helps clear their minds so they can be more focused. After this activity, the students met with their small groups that were led by upperclassmen. While in these groups, they could talk openly about their thoughts of what was said in the talks, also told by upperclassmen. Throughout the day, students had many opportunities to become closer to God by activities and speakers talking about their view of their faith. The students ended their prayerful retreat by going to Mass and Adoration.

Sophomore Retreat

The sophomore retreat this year was a time for learning about giving and serving. The students started the day by attending mass, and then proceeded over to various service facilities and spent the day lending a helping hand. Throughout the day they took breaks to pray and listen to speakers with past experiences with service.

Students divided into groups and did a variety of activities. This was a great time for class bonding and a fun way to learn about themselves and how giving to others is more rewarding than receiving.

The Junior Retreat

The Junior Retreat was held at Higher Ground in St. Leon. The Oldenburg Academy juniors had a rejuvenating and fun experience on their junior retreat. The juniors started off the day with a fun chair game and a balloon race where you taped balloons on a person and they had to run from one side of the room to the other. Simon Zheng was the winner of the balloon race. The juniors also experienced individual prayer time in nature and had the opportunity to participate in adoration, praying, and singing while being in the presence of God. The juniors also gathered in small groups and discussed different topics. All in all, the juniors had a great time getting away for a little bit and being together with their classmates, strengthening their faith and doing other fun activities.

Seniors

Senior Retreat

Throughout the seniors overnight retreat, they learned about themselves and what they are called to do. Along with that they enjoyed amazing talks and many class bonding experiences.

During the retreat, the senior girls were treated to a pasta dinner served completely by the senior boys. From pulling out the girl's chairs to getting the girls dinner, the boys did it all in appreciation for all that the girls have done.

Painting A Legacy

It is part of OA tradition that graduating seniors have the privilege to paint a brick in their own honor. These small legacies can be seen lining the walls of the Student Lounge, and with each year, the number of painted bricks grows. The class of 2015 contributed to the tradition by adding a total of 46 painted bricks to the wall. The masterpieces will remain on the wall for years to come, and revisiting alumni can view their own.

graduation class of 2015

On June 7th 2015, the class of 2015 had their last moment and event at Oldenburg Academy. This event was the unforgettable graduation ceremony that the class will remember forever. Fr. John Geis was the celebrant for this special event. Brooke Siefert, Salutatorian, gave a speech about the memories that the Class of 2015 has made together. We went on a time travel to remember back to freshman year when we first came to school. We came as strangers and now are leaving as a family. Luke Wukusick, Valedictorian, discussed the originality of the Class of 2015; the first class to use iPads for all four years, involved with the first football team and the creativity of the students in our class. Hallie Kile gave a senior reflection speech about the different events that will help someone figure out what they should do in the future and how every person is perfect.

Above: The class of 2015 in their graduation gowns, right before the ceremony.

The Academy Singer and the OA Orchestra provided music for the ceremony. The Academy Singers sang Alma Mater before the graduates processed out.

If these bricks could talk they would say... "The Class of 2015, all 49 students, have done it."

Latty Hurm and Cory Schuman share memories at the end of graduation.

Emmalee Schulte and Christopher Jarman play *Time to Say Goodbye* as a reflection song for the seniors.

Ivy Glaser and Aaron Moorman carried up the gifts at mass.

Lizzy Puttmann read the petitions for our graduation mass.

a letter from the editors

Dear Readers,

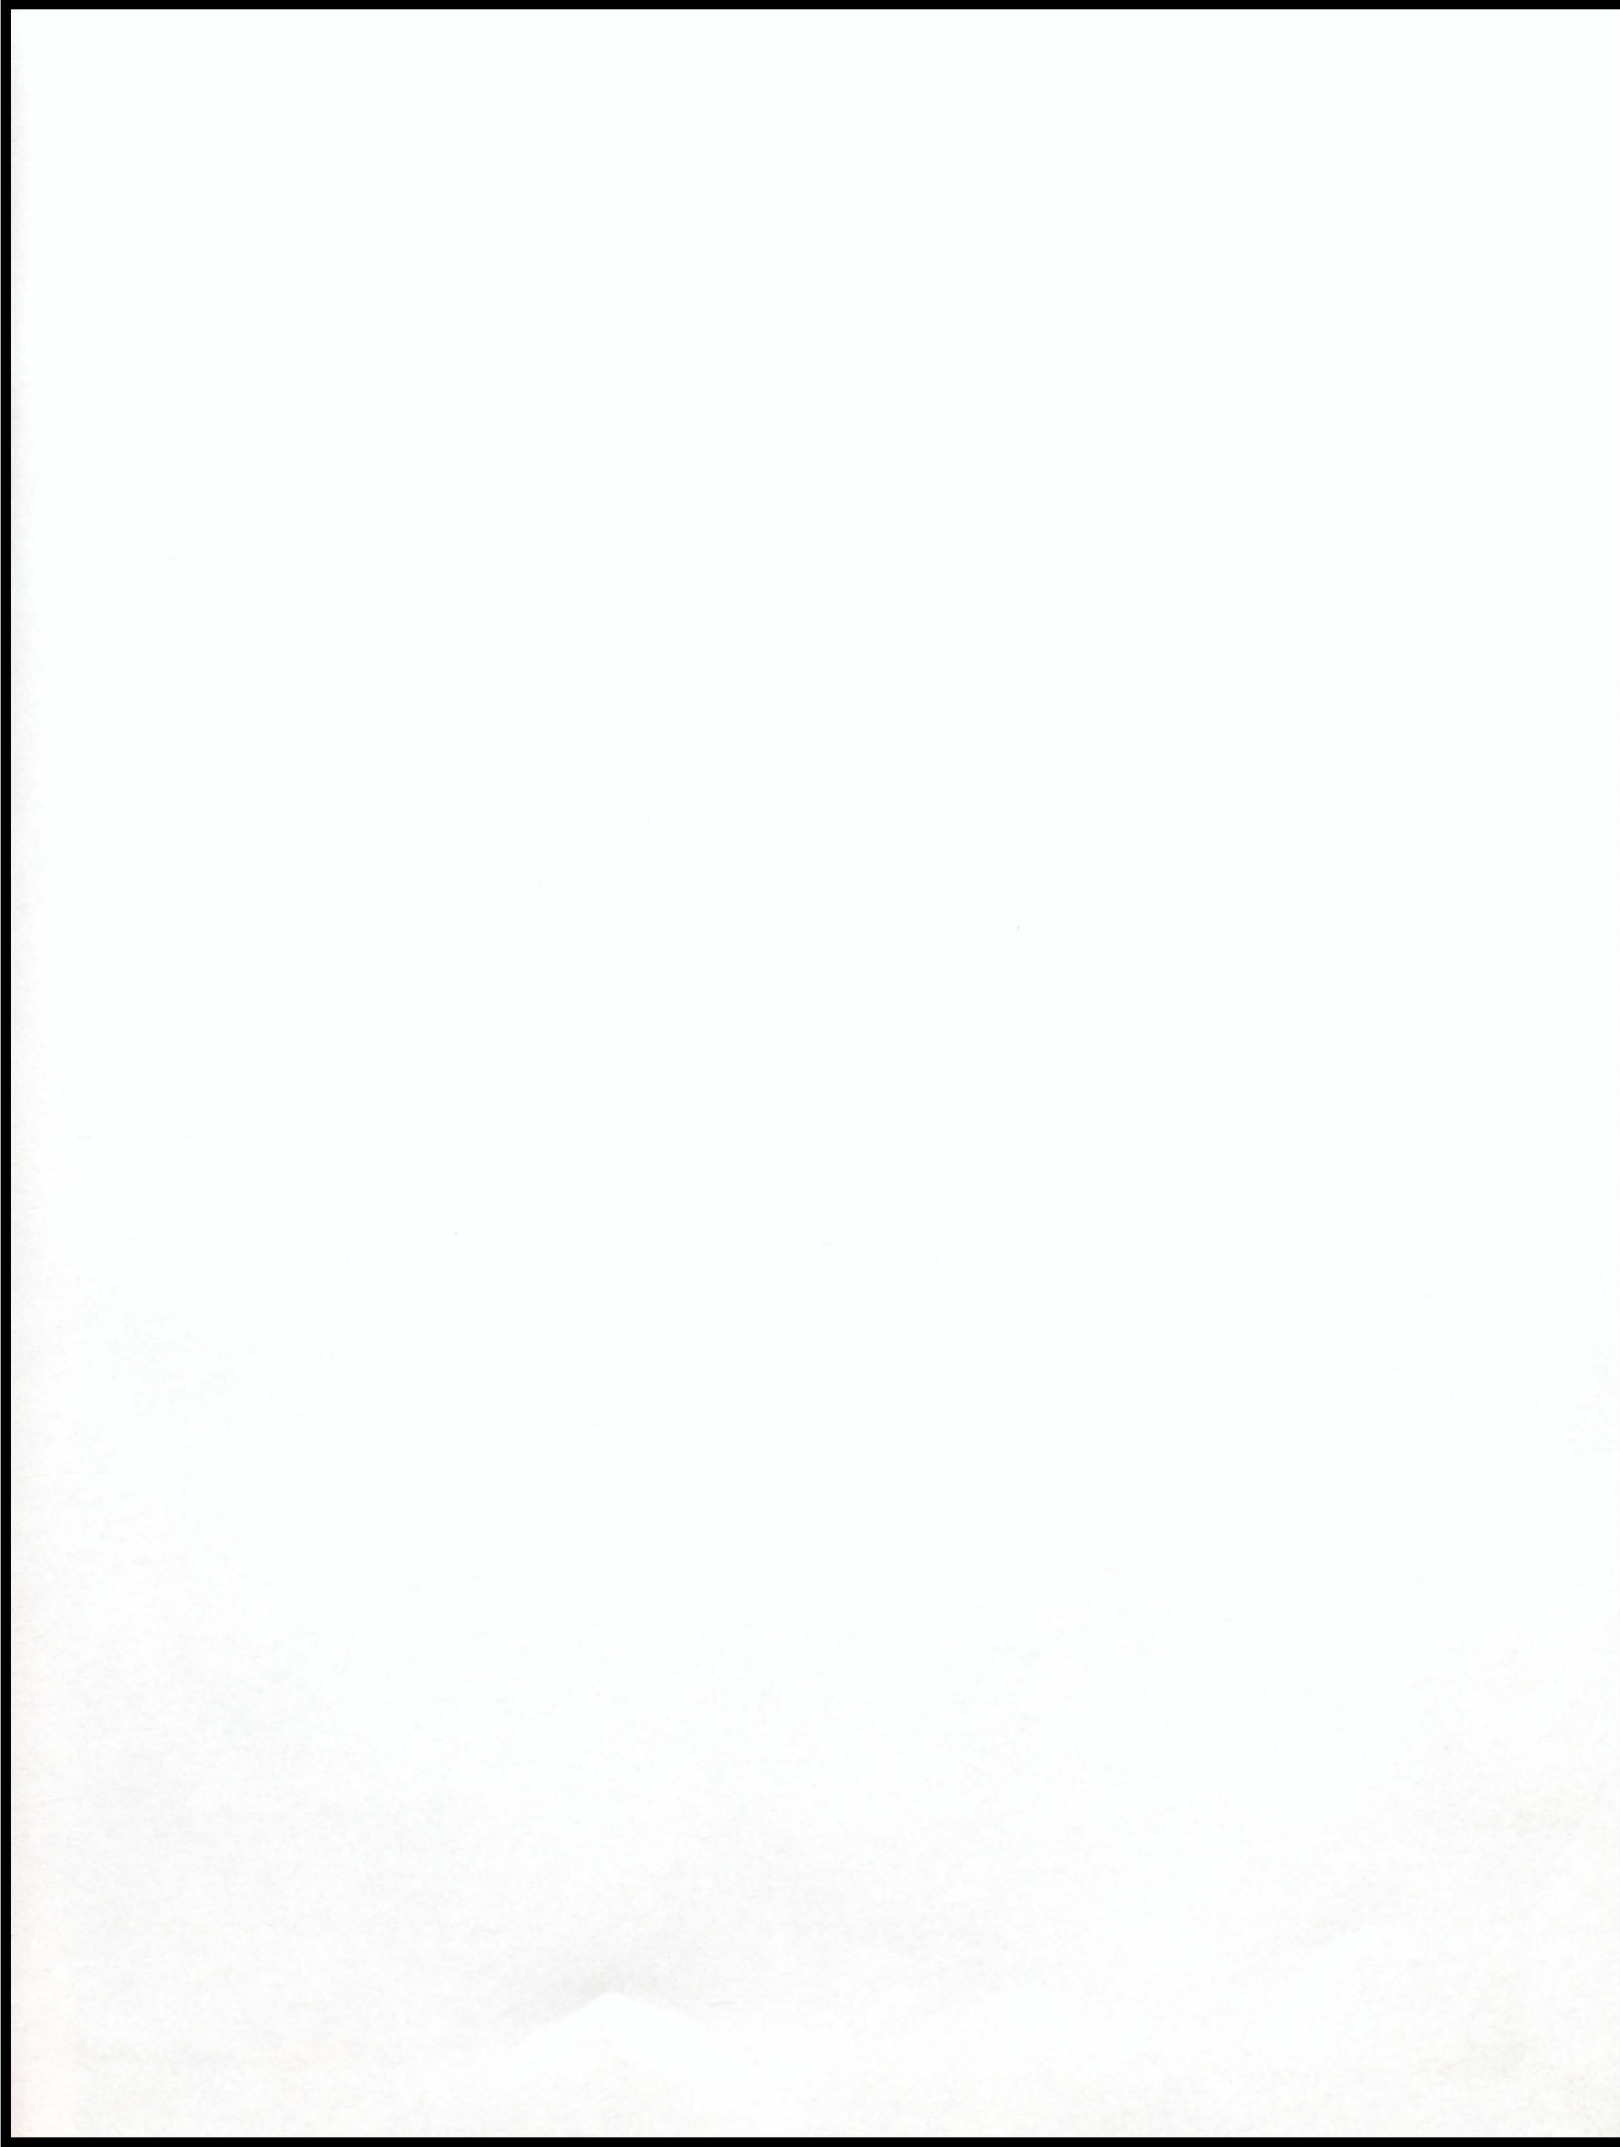

It has been quite a journey to finish this yearbook, to piece together the story of 2015, brick by brick. Together as a team, we think we may have done just that. We are a group of 12 separate minds, and we've collectively worked toward one vision.

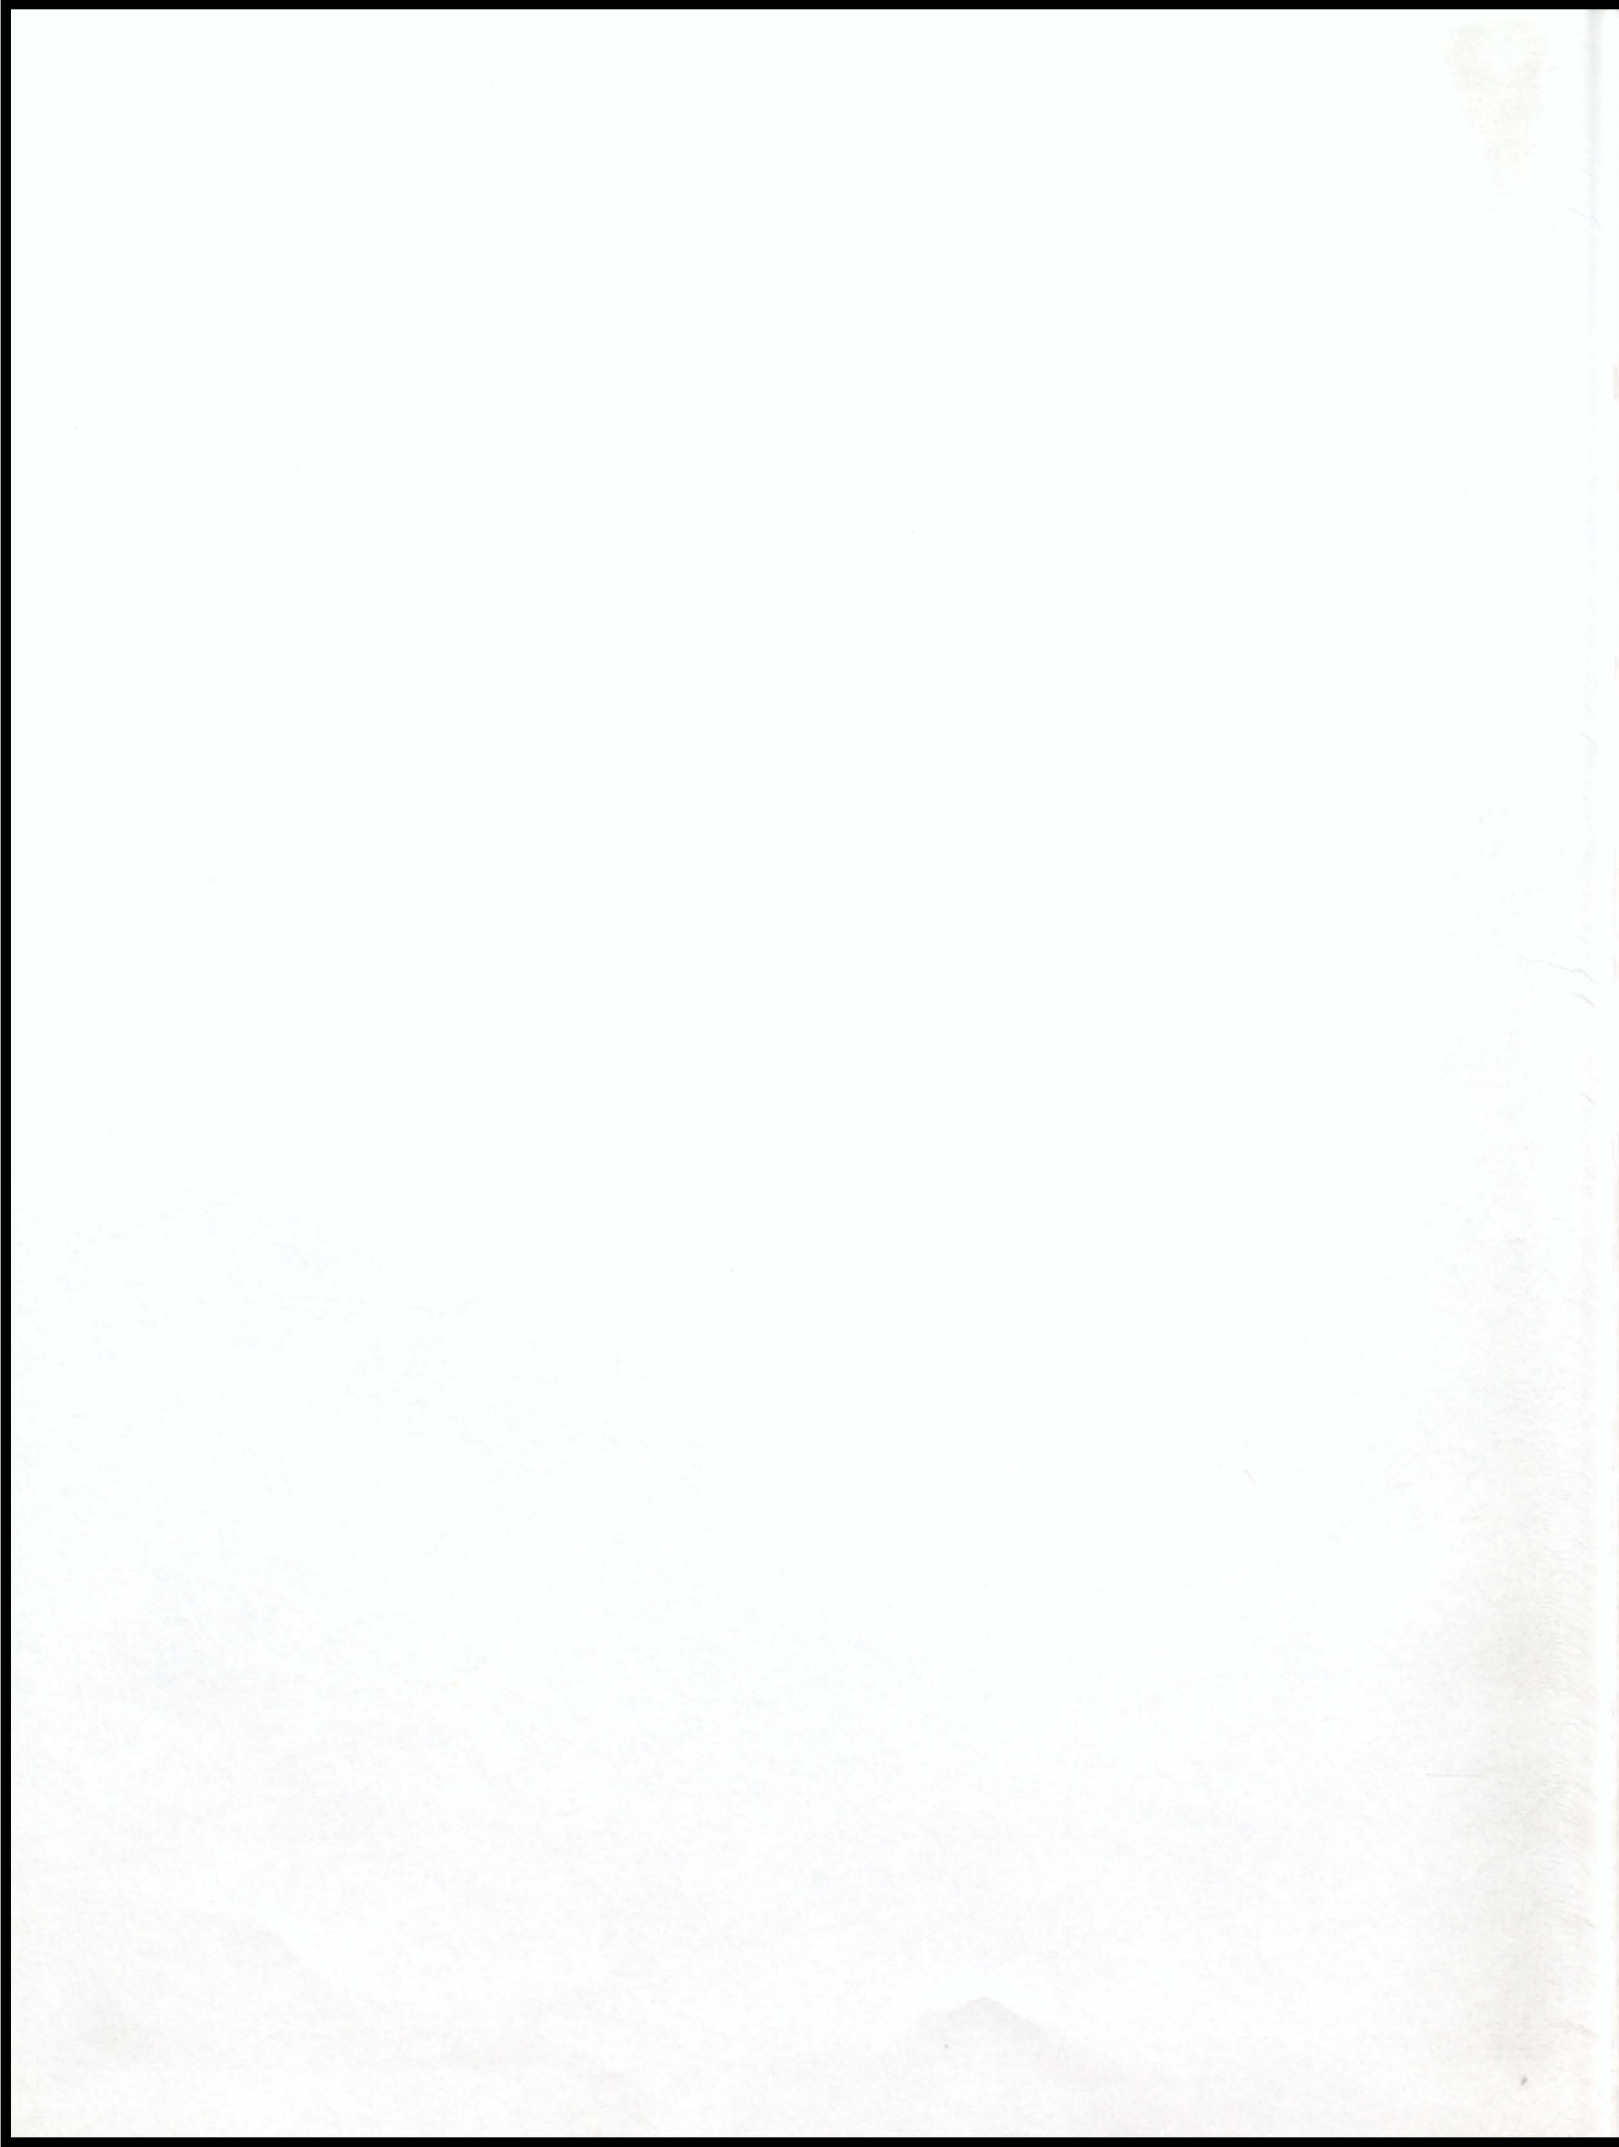

To lead this group of incredible people has been an honor for the two of us, and has allowed us to grow closer to one another and to our team. As the Co-Editors in Chief of the Oldenburg Academy Yearbook, we were faced with what we thought would be a challenge- collaborating as a unit of two minds with another 10 in order to create the best yearbook possible. This wasn't all that terrible of a challenge, though, because our visions were extraordinarily similar. Together, we worked to convey our vision to the rest of the team, and now it is our job to convey this to you, the reader, as well.

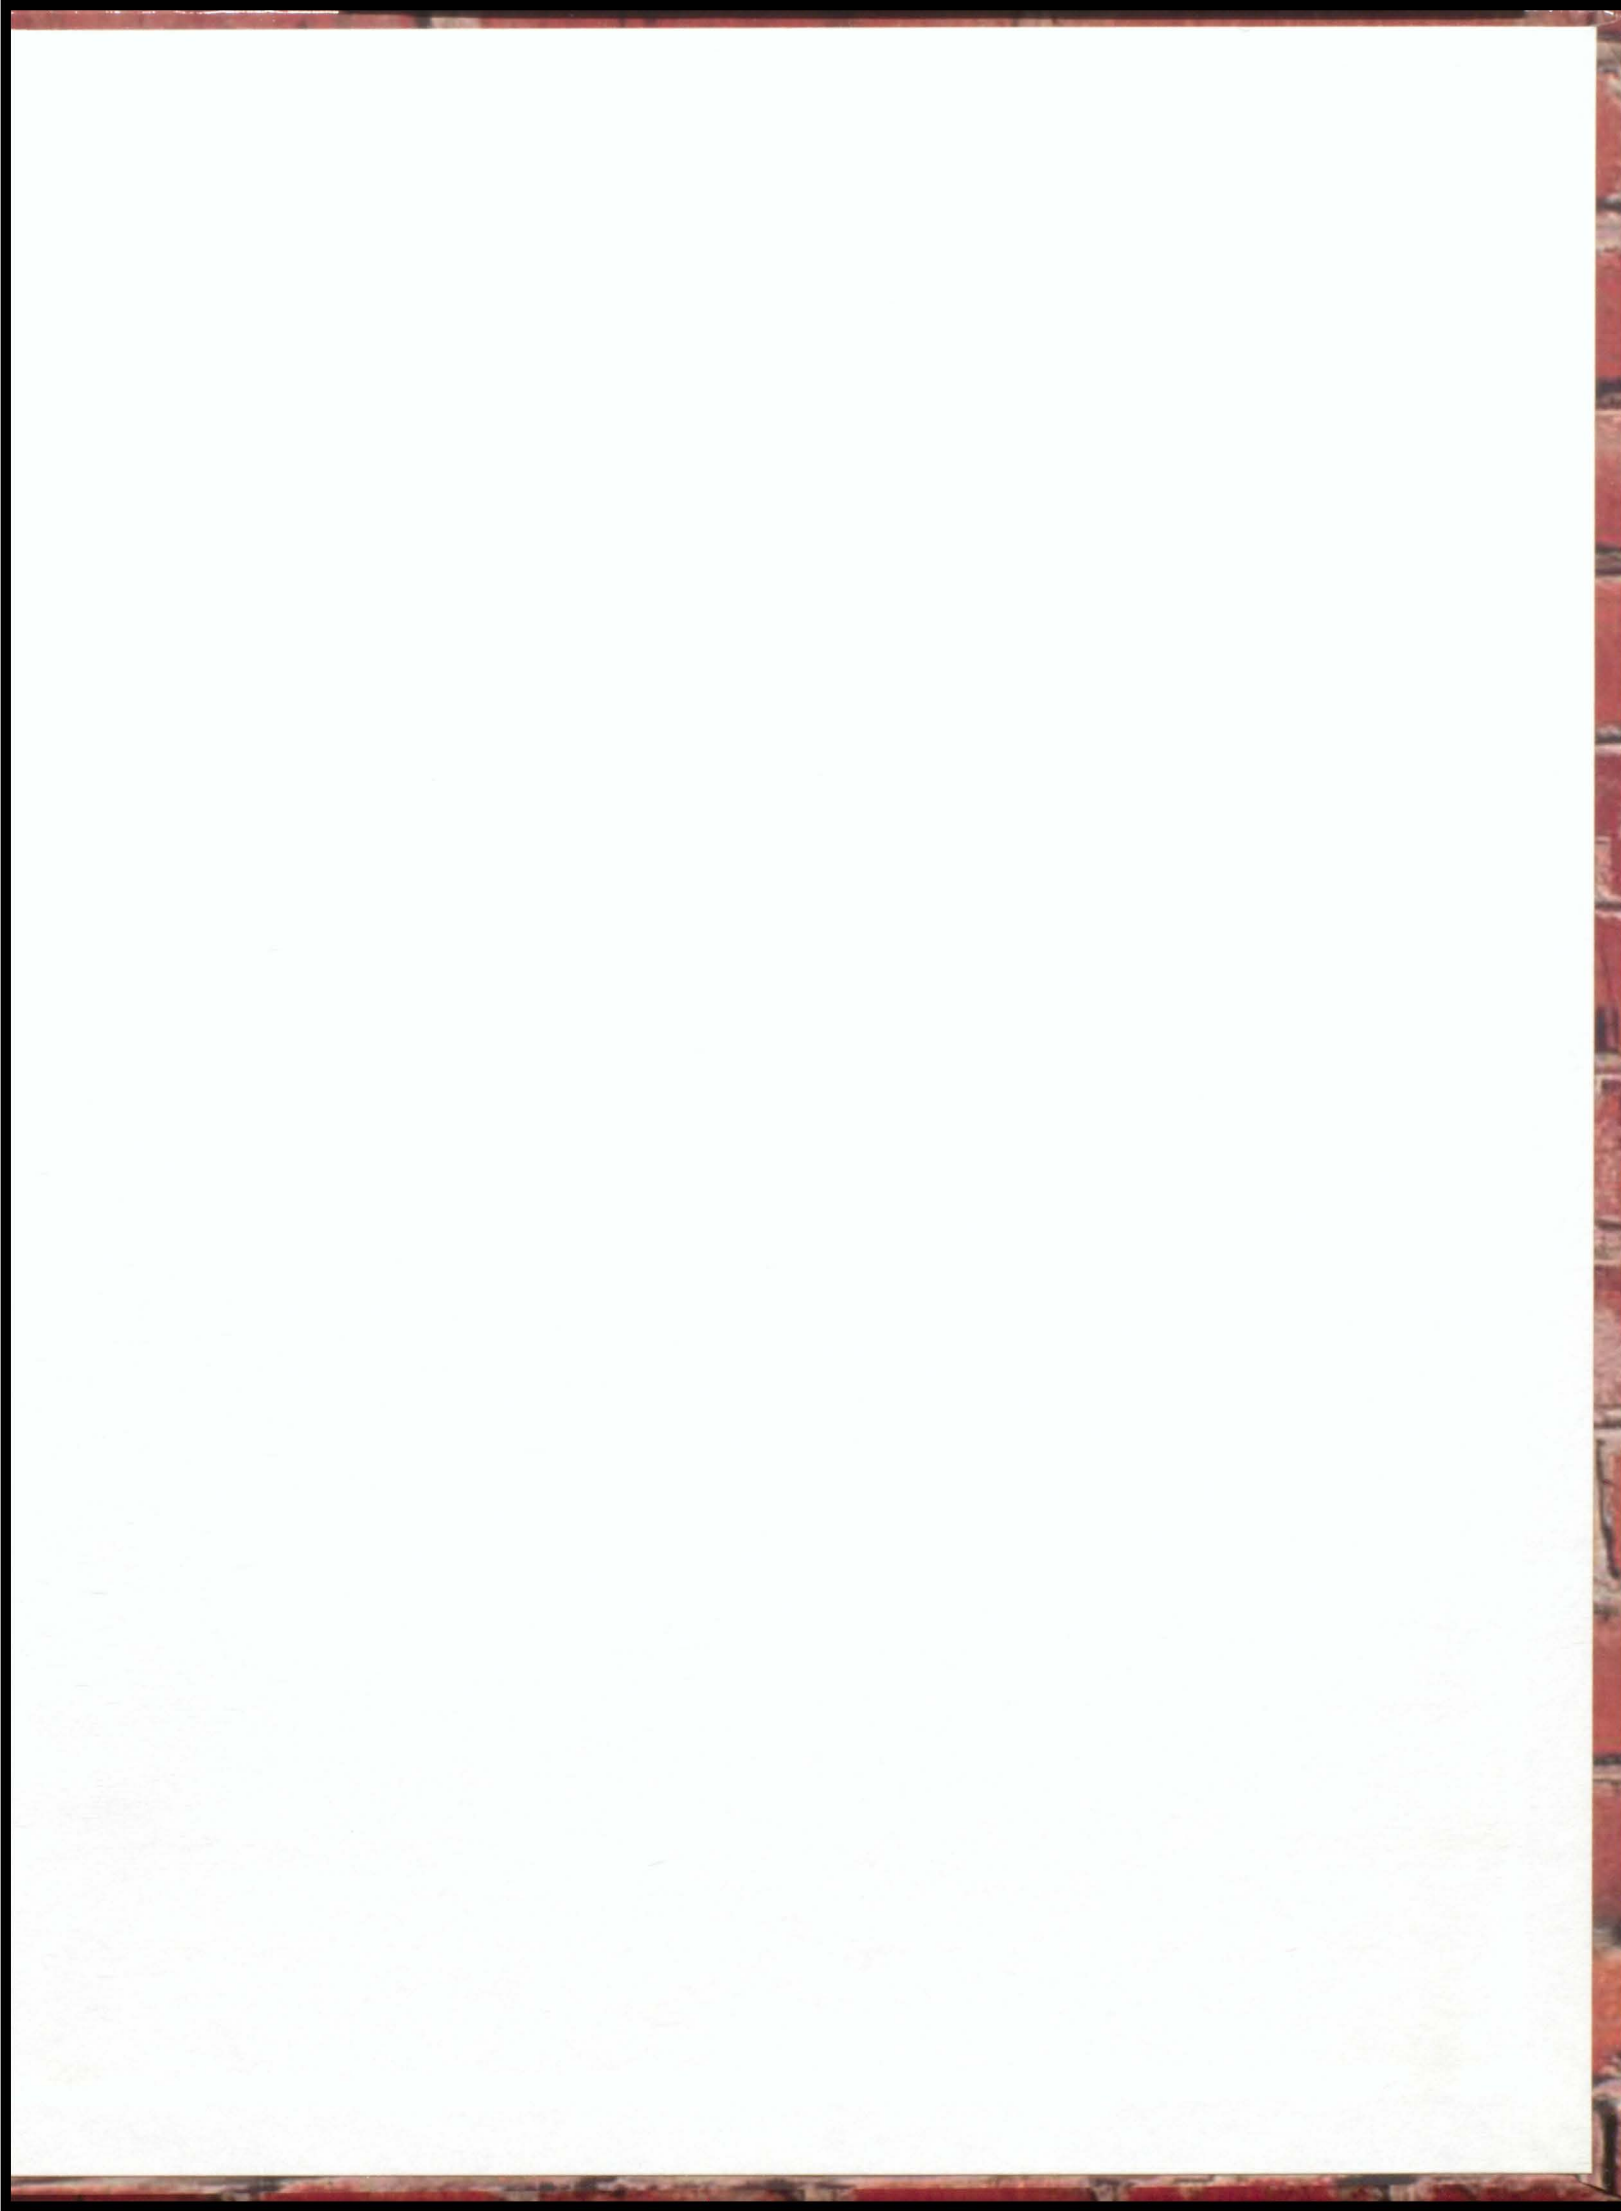

You see, our school is built with bricks... upon bricks... upon bricks. These bricks have been here for years; they've seen so much, heard so much. If they had mouths, we think the bricks would have a lot to say. So, we gave them this precise opportunity- to speak. The bricks see accomplishments that you may miss out on, so our goal was to capture every moment for you to relive, for years to come.

As you look through the book, notice the backgrounds: they are all bricks that have memories well beyond this year. We, however, wanted to capture what the bricks saw and said. We hope you enjoy reliving the memories by listening to what the bricks had to say.

-Kirsten & Hallie

... AND THAT'S WHAT THEY SAID.
